A note about sizing : Please choose your sizes carefully. Different manufacturers have different specifications. No returns for ordering the wrong size. The best way to ensure your perfect fit is to find an article of clothing that fits well and take its measurements. Compare your measurements to the size charts to make your selections. Size charts are available in-studio and online. Some items may have samples for sizing in the studio.

Personalization: Adding your dancer's name to her garment makes it a very special gift! The standard personalization charge includes your choice of 15 letters in silver glitter or silver crystals. We will size the font to best fit your item. You may create multiple words to utilize your letters (Emma's Dance Mom or PROUD Dance MOM or DANCE GRANDMA). Combinations longer than 15 letters will be subject to an additional fee. Please choose carefully. Personalized items are not returnable.

Holiday Delivery: Orders due NO LATER than November 15, 2016 for delivery in time for Holiday gift-giving. In the event that an item you order is backordered, you will be notified and given the option to wait, accept a substitute, or cancel. No refunds for choosing the wrong size.

Washing: Rhinestones and glitter are permanent and machine washable when you follow these simple care instructions: Machine wash inside out or gentle. Tumble dry LOW. No irons, harsh detergents, or bleach. Replica jerseys are hand wash recommended.
